

NEWPORT DAILY NEWS,

SATURDAY, May 16, 1868

FOR PRESIDENT,
ULYSSES S. GRANT.

Impeachment.

The great agony is at last over. Impeachment has failed by a single vote. The Republican senators who have differed from their party have turned the scale and allowed Johnson to go free. Their names will be ond in our latest telegram.

General Hancock.

It is now more than probable that Major General Winfield Scott Hancock will be the democratic candidate for the next Presidency. He is everywhere receiving the support of the loyal wing of the party, and has many advantages in the race, over Pendleton or Seymour, or any others of that class who have yet been named. The country knows but little of him outside of his military record, which is good, and it is safe to presume that he is brought forward solely on the ground of availability.

But it is not certain that he is more available than Mr. Pendleton after all. The peace wing of the democratic party is far larger than the other, and there are thousands belonging to it who can see no real difference between Hancock and Grant, both of whom have been in direct variance with their principles from the beginning to the close of the war. Of these there are not a few who will not vote for a soldier of the Federal army, whose only recommendation is that he fought bravely and well the battles of the union. Themselves opposed to the war they will not help reward those who aided in carrying it on. They cannot in consistency do so. For Vandenberg, and Pendleton, and Seymour and their coadjutors to engage in this work would be to belie all their past professions and disprove the record of which they feel so proud. If ever some of them have announced in advance that under no circumstances will they support Hancock or one like him.

On the other hand the N. Y. Citizen and other representatives of the war democracy declare that they will not support an ultra peace man. On this point some of them are very emphatic. And so the war goes on. What the result will be no one can yet tell. We are inclined to the opinion that Hancock will win. We should be sorry to see these two great Generals who have fought side by side in a common cause pitted against each other after the manner of American politics, and trust at all events that no attempts will be made to lessen the fame which the two have so justly won in the times that tried men's souls.

Southern Governors.

Of the five governors elected of reconstruction States, four are Northern men and one is a Southerner. W. W. Holden, was born in North Carolina. But Bullock, of Georgia, is a Northern, Warmouth, of Louisiana, who was a soldier in the war, and who is a ready speaker and has been an active politician among the negroes, is an Illinoisan by birth. Mr. Harrison Reed, is a Western man, and before he was governor of Florida, was one of the direct-tax commissioners for that State. General Scott, of South Carolina, a clear-headed, practical man, in the prime of life, a good soldier, and as sensible in political ideas as he was in the field, is a Westerner of the Westerners. He, at any rate, will disappoint us if he does not turn out a good governor. But certainly it is to be wished that the South could furnish her own rulers—and that she cannot and ought not is by no means certain. Nothing but trouble can come of the elevation of that class of people who have gone South to push themselves into offices at home they could only sign for. Some of them are the most odious people in the world. As to the other features of the political situation at the South, the following news seem correct. The Georgia senators will be Republicans, for the legislature is not, as was reported, Democratic. The vote for Bullock is much less than that for a new constitution, which is ratified by about 18,000 majority, while the governor's is about 7,000. Four Republicans and three Democrats go to Congress. Florida's three representatives and two senators are sure to be Republicans, the Reed ticket having been officially reported successful. And, generally, Virginia is almost the only Southern State which the Republicans may not count on—for the moment. What may be the look of things by next November we propose to consider soon at greater length. That universal negro suffrage has for any very long time added ten States to the Republican strength, it would be foolish to believe; but that the party comes out of this struggle of the past five years with two or three new States securely its own; we think is certain.

Impeachment.

The prospect for to-morrow continues apparently, to be regarded largely according to the hopes and fears of those who speculate upon the subject. A special Washington correspondent says the proposed pairing of Senator Grimes with Messrs. Wade and Howard would leave it so that thirty-four votes would convict, and the friends of impeachment say that they have votes enough under this arrangement to convict. The correspondent adds:

Mr. Wade's intimate friends profess still to be confident of conviction. They assert that they have got the votes pledged, but when it comes to two or three Senators whose votes are counted, it is found that nothing is certain respecting their course.

There is a possibility of postponement on Saturday. Its propriety has been discussed to-day. The opinion among sensible people is that a further postponement would be ruinous to the country, and that the present strong feeling in favor of conviction cannot be kept up for a long time.

Another correspondent says it is conceded that Senators Willey and Van Winkle of West Virginia have declared that they intend to vote for the acquittal. The requisite seven Republican Senators are therefore obtained to insure the defeat of impeachment.

Religious.

Rev. Geo. M. Hanlin, the newly appointed pastor of the Marlboro Street Methodist Episcopal Church will commence his labors to-morrow. Services during the day and evening at the usual hours.

ZION CHURCH.—Rev. Clayton Fobly will officiate at Zion Church to-morrow 17th inst. Service, morning at half past ten o'clock, afternoon at three o'clock, evening at half past 7 o'clock, when the Right Rev. Thomas M. Clarke, Bishop of the Diocese will preach.

St. REV. Bishop Clark will officiate at Trinity church to-morrow morning and administer the rite of confirmation.

St. REV. Bishop Mc Farland will administer confirmation at St. Mary's church on Sabbath services at 7 a.m. 10 a.m. and 7 p.m.

RE DEMOCRACY.—The First M. E. Church & Fall River situated on South Main street, having recently undergone extensive alterations and repairs, by which it has been greatly beautified and improved, will be rededicated on the 27th inst. Sermon by Rev. L. G. Bidwell, of Providence.

REV. MR. MALEON AT THE CONGREGATIONAL UNION IS REPORTED AS FAILING TO HAVE OWNED HIMSELF AS A BAPTIST CLERGYMAN. IN FAVOR OF OPEN COMMUNION. HE HELD THAT GREAT CHANGES WERE GOING ON IN THE BAPTIST AND EPISCOPAL DENOMINATIONS, ONE FAVORING OPEN COMMUNION, AND THE OTHER OPEN POLITICS. BOTH MOVEMENTS WERE IN THE RIGHT DIRECTION AND WOULD BE PREDICTIVE OF CHRISTIANITY.

THE ANNIVERSARY OF THE AMERICAN CONGREGATIONAL UNION WAS HELD IN THE ACADEMY OF MUSIC, BROOKLYN, THURSDAY EVENING. THE ANNUAL REPORT SHOWED THAT FIFTY-EIGHT CHURCHES HAD BEEN ADDED DURING THE PAST YEAR, AND SEVENTY RECEIVED ASSISTANCE. THIS YEAR THE RECEIPTS HAVE BEEN \$39,813. REV. DR. BAILEY WAS ELECTED PRESIDENT TOGETHER WITH 24 VICE PRESIDENTS AND 22 TRUSTEES.

SENATOR WILSON DELIVERED AN ADDRESS DEVOTED TO THE SUBJECT OF THE SPREAD OF THE CHRISTIAN RELIGION IN OUR COUNTRY. AFTER REFERRING TO WHAT HAD BEEN DONE IN ASSISTING FEW CHURCHES IN THE NORTHWEST, HE SAID: "WE ARE SUMMONED NOW TO SELL ANOTHER WEAK SECTION OF THE COUNTRY THAT HAS BEEN TRAMPLED UNDER THE IRON FEET OF WAR. THERE IS BEFORE US A MAGNIFICENT LAND—OUR FOURTH PART OF THE TERRITORY OF THE UNITED STATES; THERE IS A PEOPLE BROKEN BY POWER AND CRUSHED; THERE IS AN ENTHRALLED RACE; THERE IS A MIGHTY WORK FOR CHRISTIAN MEN AND WOMEN OF THIS COUNTRY TO DO, AND I PRAY GOD WE MAY ALL AIDS IN THE GREAT WORK OF CLEAVING THEM." SINCE THE REBEL ARMY SURRENDERED I HAVE NOT HEARD OF ONE GENEROUS DEED TOWARDS THAT PORTION OF THE COUNTRY, IF THE PERSON WHO PERFORMED IT REMEMBERS TO BE JUST TO THE POOR ENSLAVED BONDMAN, THAT I DID NOT WELCOME IT, AND HATED THE MAN THAT DID THE DEED. WE WANT TO BE, IN THE FIRST PLACE, JUST TO ALL PORTIONS OF OUR COUNTRYMEN; TO MAINTAIN THE RIGHTS OF THE POOR AND LOWLY, AND NO MATTER WHAT IT COSTS TO MAINTAIN THIS RACE, MEN MAY DENEOUNCE US AND HATE US, BUT IT IS OUR DUTY AS CHRISTIAN MEN AND WOMEN TO LIFT UP THE POOR AND THE LOWLY, AND TO MAINTAIN THE EQUAL RIGHTS OF ALL PORTIONS OF OUR COUNTRY. BUT WHILE WE DO THAT LET US DO IT IN THE SPIRIT OF CHRISTIANITY, IN THE SPIRIT OF LOVE, AND THUS TENDER THOSE WHO HAVE HELD MEN IN BONDAGE, THOSE WHO PLUNGED THE COUNTRY INTO THE FIRE AND BLOOD OF CIVIL WAR, AND MAINTAINED HUMAN SLAVERY IN AMERICA, THOSE WHO HAVE BEEN BROKEN, DEFEATED AND CRUSHED BY OUR BATTALIONS—LET US TEACH THEM THAT WE ENTHRAVE IN OUR ATTENTION THE WHOLE OF OUR COUNTRY AND ALL OUR PEOPLE OF EVERY RACE."

BETHEL DIST. EPISCOPAL GENERAL CONFERENCE.

"CHICAGO, May 14.

THE GENERAL CONFERENCE OF THE METHODIST EPISCOPAL CHURCH, composed of nine bishops and 242 delegates, representing a church of more than eleven hundred thousand members in the United States, has just unanimously adopted the following preamble and resolution:

WHEREAS, THERE IS NOW PENDING IN THE SENATE OF THE UNITED STATES THE MOST IMPORTANT QUESTION WHICH HAS EVER ENGAGED ITS ATTENTION, AND

WHEREAS, THE EVIDENCE AND PLEADINGS IN THIS CASE HAVE BEEN FULLY SPREAD BEFORE THE PEOPLE, SO THAT ALL MAY FORM AN ENLIGHTENED OPINION, AND

WHEREAS, WE ARE DEEPLY IMPRESSED THAT UPON ITS RIGHTFUL DECISION WILL LARGELY DEPEND THE SAFETY AND PROSPERITY OF OUR NATION AS WELL AS THE RELIGIOUS PRIVILEGES OF OUR MINISTERS AND MEMBERS IN MANY PARTS OF THE SOUTH, AND

WHEREAS, FATAL RUMORS ARE IN CIRCULATION THAT, PARTLY BY UNWORTHY JEALOUSIES AND PARTLY BY CORRUPT INFLUENCES, PECCARIA AND OTHERWISE, MOST ACTIVELY EMPLOYED EFFORTS ARE BEING MADE TO INFLUENCE SENATORS IMPROPERLY AND TO PREVENT THEM FROM PERFORMING THEIR HIGH DUTY, THEREFORE,

RESOLVED, THAT WE HEREBY APPPOINT AN HOUR OF PRAYER, FROM NINE TO TEN O'CLOCK ON TOMORROW, TO INVOKE BLESSED AND CARNTEY THE MERCY OF GOD UPON OUR NATION, AND TO HEESE HIM TO SAVE OUR SENATORS FROM ERRORS, AND TO INFLUENCE THEM THAT THEIR DECISION SHALL BE IN TRUTH AND RIGHTEOUSNESS, AND SHALL INCREASE THE SCENTY AND PROSPERITY OF OUR BELOVED UNION.

W. J. HARRIS,
Secretary of the General Conference.

MISBLACK SHAME.—Mr. Beecher writes to this week's *Ledger*: "Explain to me, if you can, Mr. Bonner, why it is that so many young people are ashamed to have it thought they have no money? Or why is it that they are ashamed of economy in the management of slender means, and of frugality in living? There is no disgrace in being an acorn before being an oak. Young people frequently wish they were grown up men; but they are not ashamed to have it discredited that their strength, knowledge, and skill are proportioned to their years. But these same persons will blush, and suffer shame at being supposed not to have money, under circumstances in which all the sensible world know that they ought to have none!"

The Passenger Depot.

It is well known to all our readers who visit Boston, that the Old Colony and New Haven Railroad Company are building a new depot in that city which is to be one of the best in the country. In New England it probably has no equal. The Fall River Times gives a description of it from which we gather the following facts. It walls are of brick, and fronting Kneeland street, at once attracts the attention of all, by size and massiveness. Entering the depot from Kneeland street, you find yourself promenading a spacious corridor, one hundred and eight feet long and twenty-five feet wide, finely and simply heated, and abundant in accommodations, with that indispensable to a well-arranged and well-supplied depot, a well-stocked literary and periodical department. On the left is the Ladies' Reception Room, seventy-six feet long and forty feet wide, with due and abundant heating apparatus, and so arranged, seated and furnished as to make it one of the most attractive, convenient and best to be found. Adjoining this room is a fine little apartment for the special accommodation of the ladies, the arranging of their toilet and general brushing up. It is called the Ladies' Dressing Room, and for it the ladies should be thankful to the corporation, who seem to have an eye specially to their comfort and convenience. Directly opposite, on the other side of the corridor is the Gentleman's Reception Room, and it is admirably suited in the wants of the travelling public as can be. It is thirty-four feet long and twenty-seven feet wide, well furnished and conveniently arranged. It is all that one could wish. In the centre of the corridor is the Ticket Office, facing every way, where stands gentleman Jones and his assistant, waiting to exchange the patches for the greenbacks. To the south of the ticket office is the Eating Saloon, and a fine one it is, large, airy and commodious, and well kept, we are assured, in the best style, and up to the times. The Baggage Room is large and convenient, and the Smoking Room, with its marble floor and other fixings, is all layers of the weed could wish. The whole length of the depot is less than six hundred feet, while it is but a step from the corridor to the tracks and trains. Leaving the rooms below we ascend, by spiral stairway, to find everything on as grand a scale is below, the several rooms and offices being nicely adjusted, to meet the wants of the officers and employes of the Company.

These are rooms for the President, and Superintendent, the Paymaster's Office, Directors' Room, Room for the Annual Meeting of the Company, General Ticket Agent's Office, Secretary and Treasurer's Offices, the Conductor's Room, ample and cozy, and in the occupation of which we wish them much joy. Overlooking the tracks is the office of Mr. Sanborn, the Station Agent, where the gentleman ex Conductor can be found with an eye toward the outward and inward-bound trains. Altogether, the depot is alike an ornament to that part of the city where it is located, and worthy the energy and enterprise of those whose supervision and management it has been erected.

The following is the *Ledger's* Washington special: Horace arrived here this morning, and was at the Capitol in conversation with Congressmen. Upon the whole the observations of to-day do not indicate any material change in the views and risings of our friends.

It is stated that the friends of Mr. Pendleton are holding a caucus in Cincinnati, having become alarmed at the popularity of Hancock with the Democrats. It is thought by many that Pendleton himself will withdraw from the contest, and that Hancock will be nominated by acclamation.

GEN. JUGGIN, COMMANDER-IN-CHIEF OF THE GRAND ARMY OF THE REPUBLIC, HAS ISSUED A GENERAL ORDER DESIGNATING SUNDAY, THE 5TH OF MAY, AS THE DAY FOR "STREWING WITH BLOOM" THE GRAVES OF THE CONFEDERATE DEAD AT THIS FLORIDA SEASIDE.

THE ACCURACY OF THE STATEMENT IS BORN OUT BY THE CENSUS OF TOWNS AND VILLAGES WHERE THESE MANUFACTURES ARE THE SOLE INDUSTRY. IN THIS PROPORTION, THE POPULATION OF NEW BEDFORD WOULD BE INCREASED BY ABOUT 2500 BY PUTTING IN OPERATION AN ADDITIONAL COTTON MILL EMPLOYING 500 HANDS, AND WITHIN THE WAMPAWA MILLS THE INHABITANTS OF THE CITY WOULD NUMBER FIVE OR SIX THOUSAND LESS THAN THEY NOW DO.

A PETITION SUPPORTED BY MANUFACTURERS.—THE NEW BEDFORD STANDARD SAYS IT IS STATED BY STATISTICS THAT THE MAJORITY OF INHABITANTS WHOSE SUPPORT IS derived DIRECTLY FROM MANUFACTURING ENTERPRISES IS ABOUT FIVE TIMES THE NUMBER OF OPERATIVES. STATESMAN'S MORALS.—THE POSSESSION OF A GOOD MORAL CHARACTER BY A CANDIDATE FOR OFFICE IS AS IMPORTANT AS THE EXPRESSION OF SUFFICIENT PRINCIPLES. WHEN BALTIMORE IS GOVERNED BY A MAN WHO IS AS BRAVE AS JACK DANIEL, IT IS BETTER TO HAVE HIM AS GOVERNOR THAN TO HAVE HIM AS A MEMBER OF THE LEGISLATURE.

IT IS GRATIFYING TO HEAR THAT A STEP HAS BEEN TAKEN TO THE CHECKING PERSECUTION OF THE MELKIAN JEWS, WHICH HAVE ATTRACTED THE ATTENTION OF THE ENTIRE FOR THE PAST FEW YEARS. AABLE DISPATCHES THE OTHER DAY INFORMED US THAT THE PERSECUTION OF THE JEWS IN MELKIA HAS BEEN STOPPED BY THE AUTHORITIES—THAT THOSE WHO WERE COMPELLED TO LEAVE THEIR HOMES HAVE BEEN ALLOWED TO RETURN, AND THAT ASSASSINS AND DESERTERS OF THE GRAVES OF THE JEWS, WHO HAVE PERPETRATED THEIR OUTRAGES ALMOST WITH IMPUNITY, WILL HEREAFTER BE SEVERELY PUNISHED.

THE WEALTHY JEWS OF ENGLAND HAVE ALSO LABORED WITH GREAT ZEAL IN BEHALF OF THEIR PERSECUTED BRETHREN, AND HAVE SENT DEPUTATIONS TO THE MOLOKIAN AUTHORITIES TO DEMAND JUSTICE IN PECULIAR TERMS. THE SUCCESS OF THESE MOVEMENTS CONSTITUTES ANOTHER TRIUMPH FOR CIVILIZATION.
